

One Unified System for Your Entire Fleet

Connecting drivers on the road, dispatchers in the office, and business owners on mobile.

Mobile App + Web Portal

 1. MOBILE APP (DRIVERS & BUSINESS OWNERS) **Driver Experience**

MOBILE APP

- **Simple, Secure Login:** Driver logs in using their own unique ID and PIN.
- **Assigned Loads at a Glance:** View complete load information, pickup dates, and drop-off instructions.
- **Camera Document Upload:** Snap and upload Bills of Lading (BOL) and Proof of Delivery (POD) directly from phone.
- **Multi-Stop Support:** Easily upload separate paperwork for each stop on multi-pickup or multi-delivery loads.
- **Smart Quality Check:** The app instantly ensures photos are clear, readable, and complete before accepting.
- **Live ETA Updates:** Real-time location sharing automatically keeps dispatch and brokers informed.
- **Track Earnings:** Drivers can check payment status on completed trips anytime.

 Business Owner Experience

DEDICATED VIEW

- **Dedicated Owner View:** Logging into the same mobile app automatically opens a private executive dashboard.
- **Business Snapshot:** See revenue, driver pay, estimated profits, active loads, and available drivers at a glance.
- **One-Tap Payments:** Review loads ready to pay and mark driver settlements as paid with a single tap.
- **Fleet-Wide Visibility:** View all loads and their lifecycle status in real time (read-only for security).
- **Performance Reports:** Review daily, weekly, and monthly business summaries on the go.
- **Trend Analytics:** Track fleet revenue trends and driver volume with clear visual charts.

 2. WEB PORTAL (DISPATCHERS, MANAGERS & ADMINS) **Dispatcher Command**

DAILY OPERATIONS

- **Focused Driver Management:** Dispatchers see only their own assigned drivers, keeping work organized and clear.
- **Document Verification:** Review uploaded driver BOLs and PODs side-by-side with load details.
- **Live Tracking Map:** Watch truck positions and accurate estimated arrival times on an easy-to-read map.
- **End-of-Day Driver Notes:** Submit a quick daily update for each driver with a friendly 4–5 PM reminder.

 Manager & Admin Hub

FULL CONTROL

- **Complete Operational Control:** Full visibility across all dispatchers, drivers, fleet trucks, and active loads.
- **User Account Management:** Quickly create and manage accounts for dispatchers, drivers, and fleet owners.
- **Company-Wide Daily Reports:** View daily driver status notes organized by dispatcher to ensure complete daily reporting.
- **End-to-End Oversight:** Oversee loads from booking and dispatch through document delivery and final payment.

3. Automated Document Handling (Zero Data Entry)

HANDS-FREE AUTOMATION

- ✓ **Instant Rate Confirmation Reading:** Upload a Rate Confirmation and key load details (stops, rates, dates) are read automatically.
- ✓ **Organized Cloud Storage:** Rate Confirmations, BOLs, and PODs are filed automatically into Google Drive folders by load.
- ✓ **Automated Spreadsheet Logging:** Every load's key details are instantly logged into a Google Sheet for easy record-keeping.
- ✓ **Automatic Multi-Stop Detection:** The system identifies all pickup and delivery stops from the document without manual entry.
- ✓ **Instant Broker Emailing:** Once a BOL is approved, it is automatically emailed to the broker without manual effort.
- ✓ **Paperless Fleet:** Eliminates lost paperwork, manual typing mistakes, and billing delays.

4. Live Tracking & Accurate Arrival Times

LIVE OPERATIONS

- ✓ **Clean Status Map:** View driver locations with simple pins for pickup and drop-off stops—no confusing turn-by-turn clutter.
- ✓ **Multi-Stop Progress:** Clearly shows the exact next stop in the journey, whether it's pickup #2 or final delivery.
- ✓ **Real GPS Arrival Times:** ETAs are calculated using the truck's real GPS position and refreshed automatically.
- ✓ **Fewer Check Calls:** Brokers and dispatchers stay informed with live status, saving time on phone calls.

5. Transparent Driver Payments

FINANCIAL CLARITY

- ✓ **Clear Payment Tracking:** Every load is clearly categorized so you always know where money stands:
- ✓ **Complete Payment History:** Comprehensive records show every past load, payment date, and driver payout.
- ✓ **One-Tap Settlements:** Owners can approve and mark driver payments as paid with a single tap on their phone.
- ✓ **Dispute Flagging:** Any payment questions or disputes are highlighted immediately for fast resolution.

Payment Stages:

READY TO PAY (DELIVERED)

UNPAID (IN TRANSIT)

PAID & CONFIRMED

DISPUTE FLAGGED

Why Trucking Companies Choose HaulBoX

"HaulBoX automates the paperwork, keeps everyone updated in real time, and gives you full visibility into your business — all in one place."
